In grateful consideration for her constant devotion to her duty, her keen interest in our many problems, her deep abiding faith in each one of us, her readiness to lend a sympathetic ear, and her general wholesome attitude not only for our betterment but for the betterment for our entire school, we the senior class of '63, do gratefully dedicate this volume of the MILLSTREAM to our beloved English teacher and generous friend, MRS. NELL HADDOCK.

# Dedication

# School Song

In Craven County's chosen spot,
We have casted in our lot,
  Dear old Farm Life School to thee we lift our song.
Near thy level fields so fair,
We shall breathe the balmy air,
  While with merry hearts the chorus we prolong.

As the morning sunbeams' light,
Greets thee o'er the forest height,
  So our tribute, we as freely to thee bring.
Youth's true homage full and free,
We thus gladly render thee
  Dear old Farm Life School thy praise we freely sing.

To thee, guardian of our youth,
Faithful guide to light and truth,
  We, thy children, bring our songs of grateful praise.
And when we shall leave thy halls,
We shall ne'er forget thy calls,
  Dear old Farm Life School the scene of happy days.

CHORUS
Sing we a song of our dear Farm Life School
  Fondly we love thee still.
And wherever we may be,
  Fond mem'ry turns to thee,
And our many friends we have at Farm Life School.

# Principal

For me not to express my very close and kindred feeling for each one of you in the class of 1963 would be a tragic mistake. I have watched your progress through school and have shared your successes and troubles with you. I shall continue to do so wherever you go. My fondest hopes would be for each of you to give to the world your very best; only to be the person in which all of us can be truly proud. May heaven's blessings attend you.

# Class Prophecy

Strange things happen to us sometimes and mysterious gifts are apt to fall "out of nowhere" into our hands just when we least expect them. I had said I would never again be surprised at anything, but when a film strip dropped into my lap from the very air about me, I was willing to take back my rash vow, for it was certainly a startling occurrence. Then I read the title "Class of Farm Life 1963 in 1973."

I was never one to remain long in suspense when the means of gratifying my curiosity was at hand, or obtainable, and I hastily went to the laboratory to find the projector.

As the film began, I saw GERALD MORRIS, president of our senior class, as president of State College.

DOCKY ROBERSON has just received his wings, for putting the first car into space.

JUDY KAY CHANDLER and KAY FORREST are having their grand opening of the Kay & Kay charm school.

MARY JO BRYAN is teaching Home Economics on the moon, she didn't know there were so many ways to prepare Green Cheese.

STANLEY MATTHEWS and FRANKIE WILLIAMS are now running a Hot-Shoppe Restaurant in Vanceboro. They are making money faster than they can spend it.

JUDY HICKS is now the captain of the famous moon trotters.

JIMMY COOKE, the outstanding director, has just released the great film "Don't Get Excited."

RONALD DUNCAN and VERNON WILSON after returning from a tour of the planets, have decided, you can take the boy off the farm, but not the farm out of the boy.

LINDA RAMSEY is following in the foot steps of her sister as a Wave, in hopes she will do as well.

KENNETH WIGGINS is running for President on the Progressive ticket; Piney Neck will really have a famous citizen if he wins.

SANDRA PHILLIPS is now the Editor of the "Rocket", assisted by her secretary JOAN PATTERSON.

MILTON MILLER has just pitched his tenth "no hitter" for the moon beams.

ANITA HANSLEY is a fashion model in New York. She knew her neat ways would take her a long way.

GERALD JOHNSON has an Escort Service. No one would ever know he is really bashful.

RUBY MITCHELL and ALICE GARRIS are the teachers of the Littler Tots Kindergarden.

WILL DAVIS, is Greyhound's lowest paid bus driver, because he lets all pretty girls ride free.

ALEXIS WILLIAMS is the secretary of Farm Life High School, now she has a reason to be in the office.

DANNY QUINN surprised us all and is now the president of The National Honor Society.

BETTY MABRY surprised us all and didn't become a school teacher, but is now touring certain parts of the United States as a public speaker.

JIMMIE WILSON and JAMES KIRKMAN, the owners of the J & J Publishing Co., have published the book Silence Is Golden.

DIANNE LEWIS is married and SHIRLEY ROSE HADDOCK her best sister-in-law is making sure everything is all right.

WILLIE DUDLEY is the light weight champion of the world.

HILDA MORRIS is secretary to the President of Hardbarger Business College.

BILLY GRIFFIN is the owner of the finest Flying Saucer Restaurant.

PAT REGISTER is the only woman professor of engineering at State College.

LYNWOOD McCANDLESS received the Pulitzer Prize for his cartoon "Good Old Farm Life."

EMOGENE MORRIS and husband are entertaining JUDY ELLEN THOMAS and her husband; they are still eating hot dogs and hamburgers.

JERRY WHITFORD is teaching the people on Mars to dance.

SHIRLEY LANE is now "Miss Original" at the U. N.

CLAUDIE TAYLOR after ten years says "English isn't a bad subject."

HAROLD SPEAR has just left the earth for places unknown.

BELVA McGOWAN is director of Youth at Gragmont.

DORMAN DRAKE is the proud inventor of an automatic car pilot.

GERALD PURSER and MILTON HOLMES are just before leaving for Cuba as members of the Peace Corps.

ALLEN SMITH is the latest astronaut's private physician, and his nurse is ELIZABETH MORRIS.

I see myself as the Glee Club teacher at F. L. S.

These are the things I have found most interesting. I have been glad to pass them on to you and share with you this remarkable discovery of mine. I hope it may answer for you, as satisfactorily as it did for me, the all-important question, "What is going to become of Class of 1963?"

# Class History

In September of 1960, when rockets were being planned, 81 new students stepped into a rocket by entering Farm Life High School.

We had our own plans, for our rocket, like one that Farm Life School had never seen before.

With Mrs. Juanita Olive and Mr. Pat Jones to help us get adjusted to the routine of high school, we elected Dewey Tripp, Roy Jones, Judy Kay Chandler, and Sandra Phillips to get our rocket off in the right direction.

Our first big event was the crowning of Judy Kay Chandler as Miss Farm Life 1960. By winning this event our class received a trip to Atlantic Beach.

This was only one step toward "STARDOM" for our queens.

The following spring the "green" freshmen entertained the Seniors with a wiener roast at the Roadside Park, which was a "blast" for everyone.

Then in the fall of 1961, our second "rocket" began shaping up under the direction of Miss Athleen Turnage and Mrs. Juanita Smith. Top "planners" in our class of 75 were: Jerry Whitford, Gerald Morris, Judy Thomas, Emogene Morris and Judy Kay Chandler.

For a second year one of our "spacewomen" Hilda Morris was elected Miss Farm Life 1961. The Beta Club, our Honor Society, received in its membership six of our "greatest scientists."

In the spring of 1961 the Sophomore Class entertained the Seniors with a sock hop in the gymnasium. Everyone danced the "night away."

The 54 members of our jolly Junior Class were kept in "orbit" by Mrs. Nellie Haddock and Mr. Delano Wilson, who held our ship on a steady course. Gerald Morris, Emogene Morris, Barbara Newell, Anita Hansley, and Kay Forrest led our year toward many happy events.

The most happy of these was the selection of our class rings. These rings made us rich as "Kings and Queens."

Toward the end of the trip as Juniors, we selected our class play, "PROFESSOR HOW COULD YOU!", held under the direction of Mr. Delano Wilson. To everyone this was really a great comedy, especially when Harold Spear dressed up as a woman.

On our last "orbit" as Juniors we entertained the Seniors with the Junior-Senior banquet and prom. As the theme we chose "Fairyland Romance", with all the pixies and fairies.

Many of our classmates were given special places in the school's activities. Judy Hicks was elected co-captain of the Girl's basketball team and Milton Miller was elected tri-captain of the boys.

Barbara Newell, a new recruit to our "rocket" was named F.F.A. Sweetheart.

In our trail of queens Shirley Dixon was next to have the crown as Miss Farm Life 1962.

On our return to FLS, the "FLS Special" was directed by Mrs. Vivian Taylor and Mr. Delano Wilson. The "space characters", the top "brass" of our class, of 45 members were: Gerald Morris-President, Allen Smith-Vice President, Anita Hansley-Secretary, Mary Jo Bryan-Treasurer, and Sandra Phillips-Reporter.

For our final go for Miss Farm Life, we selected Judy Ellen Thomas. The night of the big event she was crowned Miss Farm Life 1963. This gave us a record of four "stars" which with everyone was "A.O.K."

Will Dudley was elected to All Conference in football, and Milton Miller was elected as F.H.A. Beau.

We have worked hard to keep our "rocket" in orbit at Farm Life. Now as the nose cone of our rocket is being recovered, we await anxiously the Senior Play, Junior-Senior, Alumni, Woman's Betterment Reception, Baccalaureate Sermon, Class Night, and finally G R A D U A T I O N.

With four properous orbits, we gained valuable information for our May 28 flight to the moon.

BETTER WORK MAKES BETTER JOBS

You can't keep a good man down is an adage which holds water.

High school graduates are all good men, filled with enthusiasm and the desire to make good in life. You can put 10 high school graduates to work in the same department of a company-each doing the same kind of work and with the same opportunity to learn and advance. At the end of a year, two or three will be at the top of their group-the rest will be where they started. Why? Because real value always rises to the top.

The more you put into a job, the more you get out of it. You must give more to your jobs before you can expect more out of them. Maintain at all times a positive, constructive, progressive attitude toward your job. Always think in terms of how things can be done-never in terms of why they cannot.

# "JOKES"

An actress at a cocktail party seeing an authoress whom she disliked, went over to congratulate her on her latest book. "I enjoyed it, my dear," the actress cooed. "Who wrote it for you?" "Darling," the author cooed, "I'm glad you liked it. Who read it to you?"

When the modern mother wants her daughter, the last place she thinks to look is in the kitchen...
Learn to live with your temper—you can't possibly get rid of it by losing it...
It is a pleasant feeling when you help a fellow up a steep hill, you get nearer the top yourself...
It is always easy to covet another man's success without envying his labors...

"You'll be glad to know I'm on the Dean's list," said the college athlete proudly to his family.
